

fasterDO

Do projects faster with a system

Yong Tau Foo

Problems with Project Mgmt

Oh my gawd,
so many things to
keep track of!

Where and
when to meet?

Who to
do what?

No time
already...
Sobs.

How to start?!

Just
anyhow finish
it *lah*!

Introducing fasterDO...

Your Personal Assistant

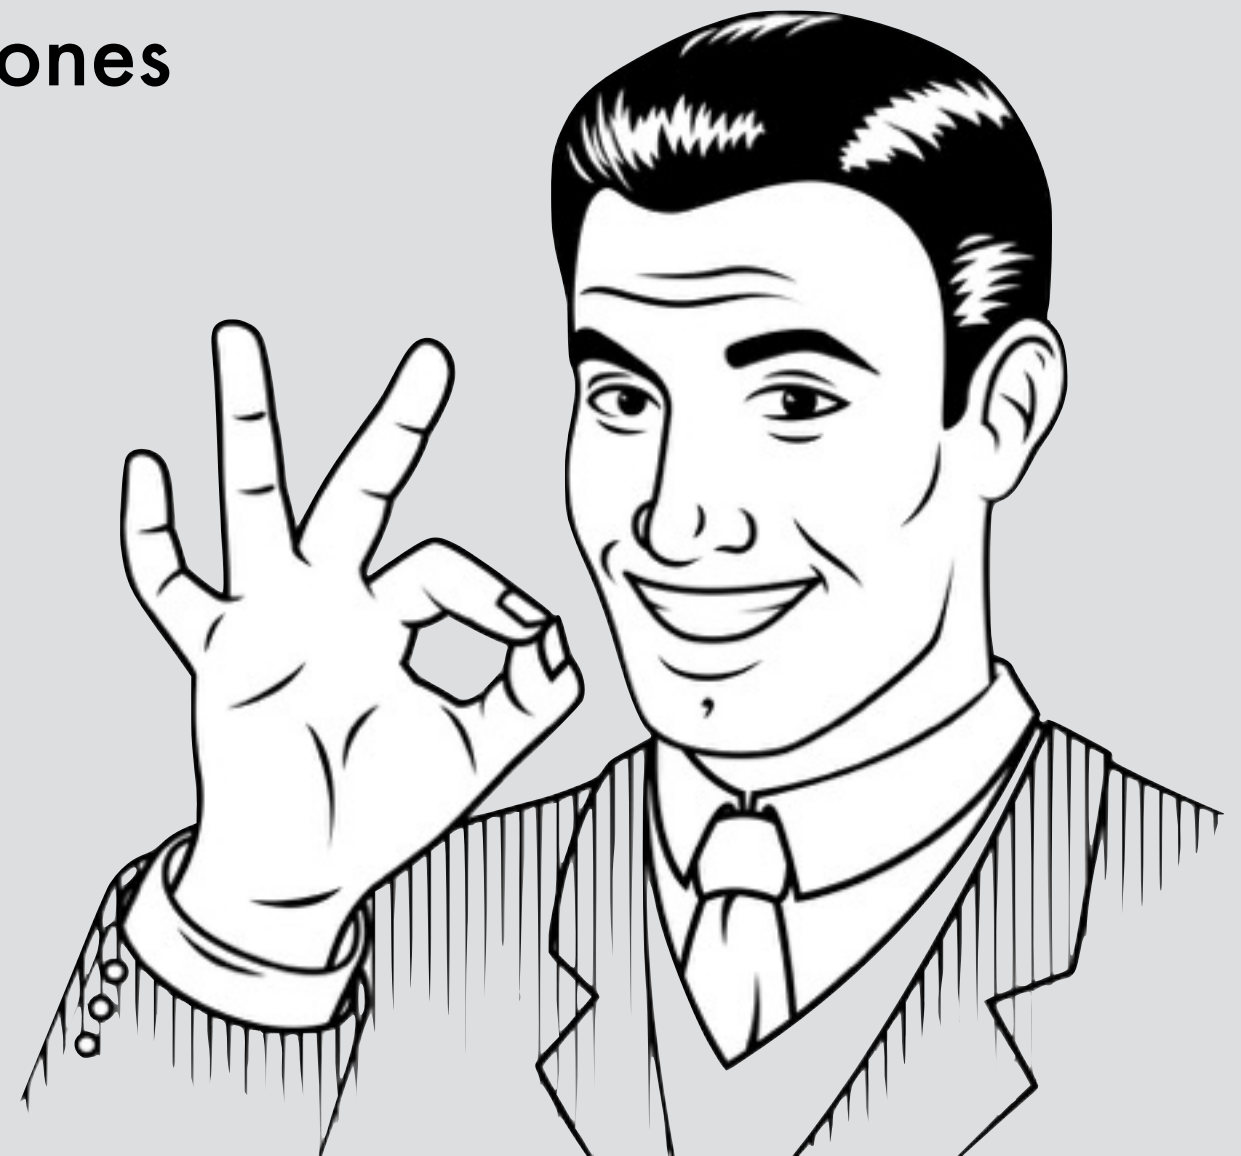

- Lays out project deadlines
- Finds common time slots for meetings
- Arranges location for meetings
- Assigns tasks to members
- Reminders

Introducing fasterDO...

Create Systems, Not Goals

- Systems enable you to see progression
- Systems help you form good habits
- Goals come in place as milestones
- Meetings = System

Why is fasterDO so cool?

More than your usual productivity app

- We remind and motivate you to **FASTER DO**
- With all the assistance provided, as well as the system implemented you will **DO FASTER**

fasterDO
